A single man arose to face the evil threatening humankind!
His name was Saitama. He became a hero for fun.

Saitama went with Genos to take the professional hero exam and passed with flying colors on his first try! Now he begins his service as a new Class-C hero.

But he wasn't aware of his quota of one heroic deed per week, so he is suddenly faced with the crisis of losing his registration! As he races around town looking for trouble, he runs into Speed-o'-Sound Sonic. Sonic wreaks havoc on the city, and Saitama defeats him, but...

ONE-PUNCH MAN VOLUME FOUR

ONE-PUNCH MAN

ONE + YUSUKE MURATA

My name is Saitama. I am a hero. My hobby is heroic exploits. I got too strong. And that makes me sad. I can defeat any enemy with one blow. I lost my hair. And I lost all feeling. I want to feel the rush of battle. I would like to meet an incredibly strong enemy. And I would like to defeat it with one blow. That's because I am One-Punch Man.

ONE-PUNCH MAN

VOLUME FOUR

Nothing about Saitama passes the eyeball test when it comes to super-heroes. From his lifeless expression to his bald head to his unimpressive physique. However, this average-looking guy has a not-so-average problem—he just can't seem to find an opponent strong enough to take on! Saitama is now a certified hero! And with that title comes great responsibility—he's required to perform one heroic deed per week. While Saitama makes the rounds to meet his quota, an incoming threat from outer space is screeching toward Earth...
